Window Transaction Survey

Window Transaction Survey

PO Name: OGDEN ZIP+4: 71853 - 9998 Completed By: TANYA BOYLES
 Survey Period: 05/07/2011 through 05/20/2011

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total the time conversions for all columns, and divide the total number of minutes by the number of days in the survey period.

Enclosures

May 27, 2011

Dear Postal Customer:

The U.S. Postal Service would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

A review of the business activities of the Ogden Post Office revealed the office's workload has declined. This reduced workload suggests the maintenance of an independent office at Ogden may not be warranted.

We are studying the feasibility of providing postal services from the Ashdown Post Office. Post Office box service is also available at this location.

In order to provide feedback regarding this proposed change, please return the enclosed questionnaire by using the pre-addressed envelope provided.

Postal representatives will be at the Ogden Community Center on June 14, 2011, from 5:30 pm – 6:30 pm to answer questions and provide information about our service. The Ogden Community Center is located at 208 Pine Street in Ogden. Questionnaires will be accepted through the date of the meeting, June 14.

If you have any questions, you may contact me at (501) 228-4171.

Sincerely,

A handwritten signature in black ink that reads "Jackie M. Stubitsch". The signature is fluid and cursive, with a large loop at the end.

**POST OFFICE ON WHEELS
SERVICES AVAILABLE FROM RURAL AND
HIGHWAY CONTRACT ROUTE CARRIERS**

You can eliminate almost all trips to the Post Office, because doing business with the Postal Service is as close as your mailbox. The carrier can provide virtually all postal services to you, and most transactions do not require meeting the carrier at the mailbox. Some of the most frequently used services are:

MAILING PACKAGES

Carriers will accept packages at the mailbox without a customer being present, provided the postage is fully prepaid, and the customer is known to reside or conduct business at that collection point. The package **MUST** have a matching return address that is the same as the collection point. If postage has not been applied, estimate the amount of postage needed and leave the money in the mailbox. If insurance is desired, the value of the contents must be specified. The carrier will take the package to the Post Office, and it will be weighed to determine the appropriate rate. The package will be mailed that same day. The carrier will leave the customer's change and insurance receipt, if appropriate, in the mailbox on the next delivery day.

PURCHASING STAMPS BY MAIL

The Stamps by Mail program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using Form 3227-R, *Stamp Purchase Order (Rural)*, available from the Post Office or the carrier. Commemorative stamps and stamp-collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the United States Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the Post Office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as Certified, Registered, Express Mail, Delivery Confirmation, Signature Confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the Post Office during their absence. Upon return, the customer asks the Post Office to resume delivery.

06/16/2011

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Ogden Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
- You expressed a concern about those customers with disabilities who are not able to go to the Post Office to pick up their mail. Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
- You expressed a concern about the detrimental effect the loss of the Post Office would have on the community. Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.
- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
- You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

If it is determined that a discontinuance of the Ogden Post Office should be pursued, a formal proposal will be posted in the Ashdown Post Office and Ogden Post Office at a later date. If you have additional questions or comments, please feel free to contact Jackie Stubitsch at (501) 228-4171.

Sincerely,

The Post Office at Ogden provides a service for the residents of Ogden. There are many small communities that are allowed to keep their post offices & I believe Ogden should as well. Every time I have tried to use the ~~Ogden~~ Ashdown post office it is closed - it is not conducive to my work hours and it is always packed & crowded - you have to wait forever. This is not the case with the post office at Ogden. The post offices in Texarkana are inconveniently located and the elderly people would have an extremely difficult time if the post office closed.

Most of the members of our church are elderly. It is very convenient for them to walk to the post office or we volunteer to take them. We have several veterans & our town is very patriotic & supporter of our government. When you think of "Americana" you think of community post offices. Our town places our USA flags all around the community including the post office. Since we only have the post office & fire department, I feel morale would suffer. We also use it as a place to get the word out about Vacation Bible School & free concerts, etc.

I'm self employed in Ogden and I use the post office very often. I am unfavorable of the discontinuance of our Post Office because this office is convenient for us and it would be very inconvenient to have to travel 8 miles just to get your mail.

I think it would not be a good idea to close the Ogden Post Office due to the elderly and other citizens who may not have the ability to travel to Ashdown or Texarkana for their postal business.

As elderly citizens, and some of us don't drive, we need the post office for mailing our bills, buying money orders, etc. We have to pay for every trip we make and some of us living home only \$600 a month - we're on fixed income and can't afford to pay someone to go to a post office out of town.

Please, leave our post office open - that's all we have in Ogden.

From this info. I can not see that closing the PO. would solve any postal problems. It seems that the Carriers would have more responsibility, all these mail transactions require additional time other than placing mail in a box.

What if a person cannot afford the cost of a Mail Box?

It appears to me, we are going backward instead of progressing.

Ogden needs a Post Office, I for one would certainly hate to see it closed. I am 87 years old, having lived here all my life.

I sincerely hope you re-consider closing our Post Office.

Please consider both sides very carefully.

Would not feel comfortable getting mail delivered by rural route carriers. I live on a dead end road. Would be easy for someone to steal my mail.

Ashdown post office is 8 miles north of Ogden. I work in Texarkana so this is not convenient for me at all. Also, the Ashdown post office does not have room for 100+ Ogden customers.

Elderly in our community really use the Ogden post office for buying supplies...

The Post Office in Ogden is the last business here. It will ^{cause} a lot of people to lose touch with each other. We really need it here because so many are elderly and have a hard time getting around.

Thank You.

I may do a lot of activities outside the community, but I do not do all of those things outside the community everyday. I work grave yard (nights) when I get off I do not want to drive out of my way to check my mail. To drive out of my way would mean I would have to leave earlier before my shift starts or I would get home later from my shift. Plus, have you taken a look at gas prices. Gas is expensive recently?

Community is greatly made up of retired
People that will have to drive approx. 18 mls.
round trip to purchase stamps, mail packages
etc. that will be a hardship on most.
In order to raise revenue why not charge
for home delivery, Post offices charge for
Box rent - especially for anyone within
the City limits?

1. Concern (Unfavorable):

Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.

Response:

Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

2. Concern (Unfavorable):

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

3. Concern (Unfavorable):

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. Concern (Unfavorable):

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Nonpostal Concerns

The following nonpostal concerns were expressed

1. Concern (Unfavorable):

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Concern (Unfavorable):

Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

- Concern (UnFavorable):
1. Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.
Response:
Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.
 2. Concern (UnFavorable):
Customers were concerned about having to travel to another Post Office for service.
Response:
Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
 3. Concern (UnFavorable):
Customers were concerned about senior citizens.
Response:
Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
 4. Concern (UnFavorable):
Customers were concerned about mail security.
Response:
Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

Nonpostal Concerns

1. Concern (UnFavorable):
Customers expressed concern for loss of community identity.
Response:
A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. Concern (UnFavorable):
Customers felt the loss of a Post Office would have a detrimental effect on the business community.
Response:
Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

**QUESTIONS FOR PUBLIC MEETING
JUNE 14, 2011
RE: POSSIBLE CLOSING OF
OGDEN POST OFFICE - 71853**

What is the deadline on accepting surveys?

How are these surveys compiled? Who does the compilation?

How will the customers/community be notified of the compilation results?

Will there be a rebuttal process to the survey compilation? If so, what are the timelines?

COMMENT:

We understand the **surveys** are critical to our possible continuance
And, only one survey per box or rural address is permitted;
But, please take into consideration that ***this process does not allow for other customers who purchase products; send mail or packages; or those who support our efforts, to express an opinion.*** Our post office serves other customers than those who have addresses associated with this zip code. Customers can drop mail later in the day in our drop box than in Ashdown.

Will the USPS accept copies of the PETITION, supporting our post office, that have been signed by its customers?

We understand that the process to close a post office goes through a chain of command—from State to Regional to Central, then to National Headquarters in Washington, D C but, **What are the final criteria used to determine whether a post office is closed or remains open? Where can we find this information?**

How and when will the community/customers be notified of the decision? What specific date will we know? If no response is received by that date, who can we get in touch with to find out? We do not want to be left in a HOLDING pattern.

What happens after the notification of the decision?

How long does the community have to appeal the final decision?

Will it be necessary to hire counsel for the appeal process?

If an Ogden customer chooses to rent a box in Ashdown, whose box rate will the Ogden customer pay, since the rate is higher in Ashdown?

According to your most recent survey, what hours per day does the Ogden Post Office support?

What are the chances of keeping the P O open for so many hours per day with a part-time employee?

If the P O closes, how will the postal customers' addresses change?

Will the address changes interfere with the County 911 system?

On rural delivery, what is the process for money orders, mail that requires a signature, or parcels too large for a rural box?

What \$ savings does the USPS project by suspending service and putting customers on a rural route?

Where do the \$ figures come from that makes up the amount of the projected savings?

What about losing mail revenue to other delivery services such as UPS?

When our Postmaster retired, why was a Postmaster not appointed immediately as the USPS had plenty of time, as they knew he was going to retire? Was the job advertised to other postal employees? What is the \$ difference in a Postmaster, Officer In Charge (OIC) or Rural Carrier?

The Ogden Post Office serves this community for more than mail service, it is our identity. We ask that you carefully consider the hardship and heartache its closure will impose on its citizens. We respectfully request the Ogden Post Office remain open for, at least, some portion of the postal day.

05/27/2011

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way postal services are provided. Our tentative plans will only lead to a formal proposal if we are satisfied that a maximum degree of regular and effective service can be provided.

The Ogden Post Office is in close proximity to another office. This office is VACANT. This office earns 1.71 hrs per day.

If you would like an opportunity to discuss alternatives with us, a postal representative will be at Ogden Community Center on 06/14/2011 from 5:30 PM to 6:30 PM to answer questions and provide information about our service.

If you have any questions, you may contact Jackie Stubitsch at (501) 228-4171.

Thank you for your assistance.

Sincerely,

PETITION

We, the citizens and customers of the OGDEN POST OFFICE hereby protest any change in the present status of our post office.

It is our desire to retain our post office at its present status—a United States post office operated by a postmaster and career postal employees.

We have many concerns, among them the sanctity of the mail and the inconvenience your proposal presents to us in delivering and sending the mail, particularly accountable mail. We are especially concerned over what effect your proposed action would have regarding the purchase of postal money orders. We are also well aware of the documented abuses possible through a contract mail station.

The *Postal Reorganization Act of 1970* calls for providing a maximum degree of effective and regular postal service to rural areas, communities and small towns where post offices are not financially self-sustaining.

We do not feel your proposals meet these criteria.

Sincerely,

Customers of the Ogden Post Office

The Honorable Patrick R. Donahoe

Dear Mr. Postmaster General:

I write to you today to regarding the study currently underway involving the Ogden Post Office in Little River County in my district.

It is my understanding you are considering this facility for closure. I would like to state for the record I am adamantly opposed to this action in any form.

The area surrounding the Ogden Post Office is very rural with a large number of persons on a fixed income that must have postal services available to them within a reasonable distance from their home. It is unconscionable to place an undue hardship on these people who can least afford the added cost of travel into the nearest town to mail their monthly bills. I trust you will do the right thing by your customers regarding the Ogden Post Office.

Should you need additional information regarding this matter, please contact Patricia Herring, Constituent Advocate, in my El Dorado office, at (870) 881-0681; or, my District Director, Jeff Weaver, in my Hot Springs office, at (501) 520-5892.

Mike Ross

RECEIVED

Dear Congressman Ross,

The U.S. Postal Service will conduct a community meeting regarding the Discontinuance Study on the Ogden Post Office. The meeting is scheduled for June 14, 2011, from 5:30 pm – 6:30 pm at the Ogden Community Center. The center is located at 208 Pine Street.

Because of the drastic decline in mail volume, the Postal Service must take action to reduce the size of its retail and delivery network. By consolidating, streamlining and adjusting our operations, the Postal Service becomes a more efficient and effective organization.

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to better meet customers' retail needs, improve productivity, increase efficiency and cut costs. Situations such as lease expiration or a postmaster vacancy in a small Post Office permit a review of that Post Office's business activity to determine if a comparable level of service can be provided by other means. These include the establishment of a contractor-operated Community Post Office or the extension or establishment of rural delivery service from another office.

The law provides customers of an office considered for discontinuance be provided opportunities, through questionnaires and public meetings, to share their concerns and views both on the action and on mail service alternatives.

I emphasize this is a study and no decisions have been made. The Postal Service would follow established public notification processes if changes are proposed. A proposal to close a Post Office must be posted publicly and reviewed by Headquarters Postal Service officials before there can be a final decision to discontinue a Post Office.

If I can assist your office regarding this matter, my phone number is (501) 228-4283.

Sincerely,

Ray Chinn

Representative Mike Ross
101 North Washington, Suite 406
El Dorado, AR

Dear Representative Ross

The U.S. Postal Service has served notice to the customers of the Ogden Post Office of a proposal to close the post office. It is doing so under provisions of the Postal Reorganization Act of 1970 and federal law, and over our objections.

Under provisions of the act, the Postal Service is obligated to provide a maximum degree of effective and regular postal service to rural areas, communities and small towns where post offices are not self-sustaining. The Postal Service's proposed action will not serve the best interests of our postal customers.

The Postal Service has made a decision to close our post office and provide us with rural delivery. We do not feel we will be getting the maximum service the Postal Reorganization Act calls for with this type of service. Inconvenience in purchasing stamps and money orders, and in sending accountable mail, such as a certified letter, are among the problems we foresee. The same holds true for the receipt of accountable mail.

Invariably, we will be left with a pick-up notice that will require a 10 mile trip to the post office at the neighboring town for pickup. We also have concerns regarding the sanctity of the mail with non-career carriers and loss of identity for our community.

We appreciate your consideration of our position and encourage you or a representative to attend a public meeting the Postal Service has scheduled for our community on Tuesday, June 14, 5:30 - 6:30 p.m. at Ogden Community Center in Ogden, AR. We appreciate any support you can give us in our fight to retain our post office in the same status as now exists—a U.S. post office operated by a postmaster and career postal employees.

Thank you

Sincerely

James Fulmer, Mayor

Mayor Sandra Furlow
P.O. Box 159
Ogden, AR 71853-0159

Dear Mayor Furlow:

Thank you for the petitions from concerned customers in Ogden. These are difficult times for a lot of businesses and citizens across our country, and the Postal Service is not immune to the continuing economic downturn.

The Postal Service regularly reviews and evaluates its post office operations in a continuing effort to better meet customers' retail needs, improve productivity, increase efficiency and cut costs. That is what we are doing in Ogden and thousands of other communities across the country.

As we look for ways to save money, we must face these facts:

- Mail volume has declined by 43.1 billion pieces in the past five years. As a result, the Postal Service is not receiving enough revenue to cover its expenses.
- We ended the first quarter of Fiscal Year 2011 (Oct. 1 - Dec. 31, 2010) with a net loss of \$329 million. In Fiscal Year 2010, we suffered a net loss of \$8.5 billion.

While I understand your community's interest in maintaining a local Post Office and Postmaster, we have a responsibility to keep the Postal Service financially solvent since we are a self-supporting organization not funded by taxpayers.

A proposal to close a Post Office must be posted publicly and reviewed by Headquarters Postal Service officials before a final decision is made. Affected customers must also be advised that they have the right to appeal the action to close or consolidate an independent Post Office to the Postal Regulatory Commission.

By law, the evaluation process involves gathering local input through questionnaires and public meetings, so customers can share their concerns and views on the proposed action and understand mail service alternatives. Your petitions will be included in our study packet.

Our ultimate mission is clear: find a balance between saving money and providing you the quality of service you expect and deserve. We will, therefore, continue to move forward to close the Ogden Office. I do appreciate you taking the time to share your community's opinion with me.

Sincerely,

A handwritten signature in black ink that reads "Linda J. Welch".

Honorable Sandra Furlow
Mayor of Ogden
PO Box 159

Dear Mayor Furlow,

This is in response to your faxed letter to the U.S. Postal Service's (USPS) Southwest Area Vice President, regarding the Discontinuance Study being conducted on the Ogden Post Office.

A facility closure would require all retail and delivery (if applicable) services to be moved to the nearest location with adequate space to fulfill our customers' needs. Insuring consistent and reliable service can be provided by the gaining facility is one of the key aspects of the study. Floor space, post office box unit availability, employee and customer parking are also factors taken into consideration. The gaining facility would be the Ashdown Post Office, 451 E Locke Street, located 7.5 miles from the Ogden facility. In addition, the Downtown Texarkana Finance Unit, located at 500 N State Line Ave, is 12.2 miles from the Ogden facility.

This study is in the information-gathering stage and providing detailed numbers at this time would be premature. As a perspective of some costs we incur, I have included the figures below and the total annual savings which could be recognized.

Costs	Amount
Salary and Benefits	\$48,569
Lease	\$8,040
Utilities	\$1,413
Total Annual Savings	<u>\$58,022</u>

If closing the Ogden Post Office is the course of action pursued, a formal proposal would be issued and all study findings would be provided to the public in the formal proposal. As policy, a formal proposal is posted at the facility under consideration for a period of 60 days for public viewing and comment. After the 60-day period, if Postal Service Headquarters officials make a final determination to close the Ogden facility, the decision would be posted at the facility for 30 days, during which customers may appeal the decision to the Postal Regulatory Commission (PRC). No post office may be closed sooner than 60 days after the public posting of the final decision.

The USPS is an exceptional government agency, in that we operate as a self-supporting entity. Our income is derived from the sale of our products and services, not a penny of operational subsidies from taxpayers.

The ongoing effects of the economic slowdown and the rate at which mail is migrating from traditional postal hard copy services to electronic communication media continue to negatively impact mail volume and the related revenue. Mail volume declined by 6.2 billion pieces in our

Fiscal Year (FY) 2010, after a 26 billion piece decline in FY 2009. Despite increases in productivity and \$11 billion in cost savings over the past three years, the Postal Service experienced net losses of \$8.5 billion, \$3.8 billion and \$2.8 billion for the fiscal years ending 2010, 2009 and 2008, respectively. In the second quarter of FY 2011 (Jan. 1 to March 31), the Postal Service experienced a net loss of \$2.2 billion.

In the face of such difficulties, the USPS has demonstrated fiscal responsibility by pursuing solutions and strategies to mitigate the impact. We continue to focus on the improved efficiency of our processing and delivery networks. This focus is on areas having a number of postal facilities in close proximity. Just as other businesses are adapting to technological advances, we must do the same. Reviewing our delivery office locations is one of these strategies. These reviews are being conducted in post office, station and branch operations throughout the nation.

In accordance with the study guidelines, questionnaires were mailed to Ogden residents in order to allow them to provide feedback on the proposed change. As you are aware, a community meeting will be held on June 14, 2011, from 5:30-6:30, at the Ogden Community Center, 208 Pine Street. Residents will have the opportunity to speak directly with postal officials to answer questions and receive information about postal services.

Again, I emphasize this is a study and no decision has been made at this time. The USPS will follow established public notification processes if changes are proposed.

Thank you for the opportunity to respond to your inquiry.

Sincerely,

Patti Robinson

The Honorable Mike Ross
Member of Congress
Union County Court House, Suite 406
101 North Washington Avenue
El Dorado, AR 71730-5669

Dear Congressman Ross:

This is in response to your May 31 letter to Postmaster General Patrick R. Donahoe on behalf of your constituents in Ogden, regarding the Post Office in that community.

Thank you for sharing your comments. As you are aware, the U.S. Postal Service receives no tax dollars for operating expenses, and relies on the sale of postage, products and services to fund its operations. As a result of dramatic declines in mail volume, the Postal Service continues to experience significantly reduced revenue. In fact, over the past five years, mail volume has declined by 43.1 billion pieces, customer visits have decreased by 200 million, and retail transactions have diminished by \$2 billion. In order to sustain universal mail service to the American people, we are taking every action within our control to cut costs and streamline operations across the organization.

Arkansas District officials confirm that the Ogden Post Office is being studied for possible discontinuance. The study is ongoing, and no final decision has been made. Please be assured that postal officials are devoting careful attention to this study, and customers will be notified in advance of any changes that may affect service in their area.

During this process, postal managers will consider the effect on the community and postal employees, the ability to provide a maximum degree of effective and regular postal services to the affected community, and potential economic savings. Customers of an office considered for closing are provided opportunities, through questionnaires and public meetings, to share their concerns and views both on the action and on mail service alternatives. Before the Postal Service makes a decision to close or consolidate an independent Post Office, we comply with all the stipulations mandated by federal law. All final decisions are subject to review by the independent Postal Regulatory Commission, and the discontinuance procedures contained in Title 39, United States Code, are exercised before an independent Post Office can be permanently closed. If an office is closed, the office name is retained for use in local mailing addresses to preserve community identity.

Page 2

Please be assured that any decision regarding the future status of the Ogden Post Office will carefully balance our universal service responsibility and our statutory duty to operate in an efficient manner. Consideration of such matters will help ensure that the Postal Service furnishes a maximum degree of regular and effective postal services to the community well into the future.

If I can be of assistance with other postal issues, please let me know.

Sincerely,

PROPOSAL TO CLOSE
THE OGDEN, AR POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1375897 - 71853

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster position became vacant when the postmaster retired on January 02, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Ogden Post Office is in close proximity to another office. This office is VACANT. This office earns 1.71 hrs per day.

The Ogden Post Office, an EAS-11 level, provides service from 06:30 - 11:30 - 13:00 - 15:45 Monday - Friday, Closed Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 184 post office box or general delivery customers and 72 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 32 transaction(s) accounting for 37 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$22,874 (60 revenue units) in FY 2008; \$17,668 (46 revenue units) in FY 2009; and \$17,032 (44 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On June 14, 2011, representatives from the Postal Service were available at Ogden Community Center to answer questions and provide information to customers. 107 customer(s) attended the meeting.

On May 27, 2011, 259 questionnaires were distributed to delivery customers of the Ogden Post Office. Questionnaires were also available over the counter for retail customers at the Ogden Post Office. 105 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 86 unfavorable, and 16 expressed no opinion.

A petition supporting the retention of the Ogden Post Office was received on June 14, 2011, with 154 signatures. If this proposal is implemented, delivery and retail services will be provided by the Ashdown Post Office, an EAS-18 level office. Window service hours at the Ashdown Post Office are from 9:00 to 4:30, Monday through Friday, and 9:00 to 11:30 on Saturday. There are 271 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

1. **Concern:**

Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.

Response:

Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

2. **Concern:**

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

3. **Concern:**

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Ogden is an unincorporated community located in Little River County. The community is administered politically by City of Ogden. Police protection is provided by the Little River Co Sheriffs Office. Fire protection is provided by the Ogden Volunteer Fire Dept. The community is comprised of retirees, loggers, farmers and the self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: New Cannon Baptist Church Laura Bell Baptist Church Ogden First Baptist Church Ogden Methodist Church Mt. Pleasant Baptist Church Mte Carmel CME Church in God and Christ, Ogden Water Works Cut n Curl Johnsons Irrigation and Landscaping City of Ogden Arkansas Hwy Police Neaves Nature Works Natasha's touch Mills Nature Photography Vines Lawn Care Ward Logging Baldwin Enterprise INC Lubrication Specialist INC Morton Logging Poor Boy Remodeling R&M Mobile Home Movers McDowell Farms Mid-Iowa Farms Davis Farms Fisher Drywall Services Thompson Lawn Service Cowboy Corner Copper K Farms Naamans BBQ Temple Farms Ranch Properties Ron's Maintenance and Cleaning. Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Ogden Post Office will be available at the Ashdown Post Office. Government forms normally provided by the Post Office will also be available at the Ashdown Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.
Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers felt the loss of a Post Office would have a detrimental effect on the business community.
Response: Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on January 02, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 52,319 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 33,168
Fringe Benefits @ 33.5%	\$ 11,111
Annual Lease Costs	<u>+ \$ 8,040</u>
Total Annual Costs	\$ 52,319
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 52,319</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster retired on January 02, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Ogden Post Office provided delivery and retail service to 184 PO Box or general delivery customers and 72 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$52,319 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Ogden Post Office and Ashdown Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Dear Postal Service Customer:

Thank you for taking the time to submit your comments to the proposal to close the Ogden Post Office. Your comments are appreciated and will be carefully considered, along with the comments of other customers, as the matter is reviewed further in my office and at higher levels of the Postal Service.

In response to your letter:

- You expressed a concern about the loss of the Communities' identity. A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
- You expressed a concern about the security of mail. Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

I realize with change there is always concern. However we are confident that the alternate service listed in the proposal will continue to provide you with effective and regular service.

If you have additional questions or comments, please feel free to contact Jackie Stubitsch at (501) 228-4171.

Sincerely,

PROPOSAL TO CLOSE
THE OGDEN, AR POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE
(REVISED)

DOCKET NUMBER 1375897 - 71853

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster position became vacant when the postmaster retired on January 02, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: The Ogden Post Office is in close proximity to another office. This office is VACANT. This office earns 1.71 hrs per day.

The Ogden Post Office, an EAS-11 level, provides service from 06:30 - 11:30 - 13:00 - 15:45 Monday - Friday, Closed Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 184 post office box or general delivery customers and 72 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 32 transaction(s) accounting for 37 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$22,874 (60 revenue units) in FY 2008; \$17,668 (46 revenue units) in FY 2009; and \$17,032 (44 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On June 14, 2011, representatives from the Postal Service were available at Ogden Community Center to answer questions and provide information to customers. 107 customer(s) attended the meeting.

On May 27, 2011, 259 questionnaires were distributed to delivery customers of the Ogden Post Office. Questionnaires were also available over the counter for retail customers at the Ogden Post Office. 105 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 86 unfavorable, and 16 expressed no opinion.

One congressional inquiry was received on May 31, 2011.

A petition supporting the retention of the Ogden Post Office was received on June 14, 2011, with 154 signatures. If this proposal is implemented, delivery and retail services will be provided by the Ashdown Post Office, an EAS-18 level office. Window service hours at the Ashdown Post Office are from 9:00 to 4:30, Monday through Friday, and 9:00 to 11:30 on Saturday. There are 271 post office boxes available.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- | | |
|---|--|
| <p>1. Concern:</p> <p>Response:</p> | <p>Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.</p> <p>Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.</p> |
| <p>2. Concern:</p> <p>Response:</p> | <p>Customers were concerned about having to travel to another Post Office for service.</p> <p>Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.</p> |
| <p>3. Concern:</p> <p>Response:</p> | <p>Customers were concerned about mail security.</p> <p>Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.</p> |
| <p>4. Concern:</p> | <p>Customers were concerned about senior citizens.</p> |

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Ogden is an incorporated community located in LITTLE RIVER County. The community is administered politically by City of Ogden. Police protection is provided by the Little River Co Sheriffs Office. Fire protection is provided by the Ogden Volunteer Fire Dept. The community is comprised of retirees, loggers, farmers and the self-employed, and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: New Cannon Baptist Church Laura Bell Baptist Church Ogden First Baptist Church Ogden Methodist Church Mt. Pleasant Baptist Church Mte Carmel CME Church in God and Christ, Ogden Water Works Cut n Curl Johnsons Irrigation and Landscaping City of Ogden Arkansas Hwy Police Neaves Nature Works Natasha's touch Mills Nature Photography Vines Lawn Care Ward Logging Baldwin Enterprise INC Lubrication Specialist INC Morton Logging Poor Boy Remodeling R&M Mobile Home Movers McDowell Farms Mid-Iowa Farms Davis Farms Fisher Drywall Services Thompson Lawn Service Cowboy Corner Copper K Farms Naamans BBQ Temple Farms Ranch Properties Ron's Maintenance and Cleaning . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Ogden Post Office will be available at the Ashdown Post Office. Government forms normally provided by the Post Office will also be available at the Ashdown Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

- | | |
|---|--|
| <p>1. Concern:</p> <p>Response:</p> | <p>Customers expressed concern for loss of community identity.</p> <p>A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.</p> |
| <p>2. Concern:</p> <p>Response:</p> | <p>Customers felt the loss of a Post Office would have a detrimental effect on the business community.</p> <p>Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.</p> |

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on January 02, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 52,319 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 33,168
Fringe Benefits @ 33.5%	\$ 11,111
Annual Lease Costs	<u>+ \$ 8,040</u>
Total Annual Costs	\$ 52,319
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 52,319</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster retired on January 02, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Ogden Post Office provided delivery and retail service to 184 PO Box or general delivery customers and 72 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$52,319 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Ashdown Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

FINAL DETERMINATION TO CLOSE
THE OGDEN, AR POST OFFICE
AND CONTINUE TO PROVIDE
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1375897 - 71853

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster position became vacant when the postmaster retired on January 02, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: The Ogden Post Office is in close proximity to another office. This office is VACANT. This office earns 1.71 hrs per day.

The Ogden Post Office, an EAS-11 level, provides service from 06:30 - 11:30 - 13:00 - 15:45 Monday - Friday, Closed Saturday and lobby hours of 24 hrs on Monday - Friday and 24 hrs on Saturday to 184 post office box or general delivery customers and 72 delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 32 transaction(s) accounting for 37 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$22,874 (60 revenue units) in FY 2008; \$17,668 (46 revenue units) in FY 2009; and \$17,032 (44 revenue units) in FY 2010. There were one permit mailer(s) or postage meter customer(s).

On June 14, 2011, representatives from the Postal Service were available at Ogden Community Center to answer questions and provide information to customers. 107 customer(s) attended the meeting.

On May 27, 2011, 259 questionnaires were distributed to delivery customers of the Ogden Post Office. Questionnaires were also available over the counter for retail customers at the Ogden Post Office. 105 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 3 favorable, 86 unfavorable, and 16 expressed no opinion.

One congressional inquiry was received on May 31, 2011.

A petition supporting the retention of the Ogden Post Office was received on June 14, 2011, with 154 signatures.

When this final determination is implemented, delivery and retail services will be provided by the Ashdown Post Office, an EAS-18 level office. Window service hours at the Ashdown Post Office are from 9:00 to 4:30, Monday through Friday, and 9:00 to 11:30 on Saturday. There are 271 post office boxes available.

The proposal to close the Ogden Post Office was posted with an invitation for comment at the Ogden Post Office and Ashdown Post Office from June 25, 2011 to August 26, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:**

Customers expressed concern for those customers with disabilities who are not able to go to administrative Post Office to pick up their mail.

Response:

Customers are not required to travel to another Post Office to receive mail or obtain retail services. These services will be provided by the carrier to a roadside mailbox located close to customers' residences. In hardship cases, delivery can be made to the home of a customer. Changes in the type of delivery are considered where service by existing methods would impose an extreme physical hardship for an individual customer. Any request for a change in delivery method must be submitted in writing to the administrative postmaster.

2. **Concern:**

Customers were concerned about having to travel to another Post Office for service.

Response:

Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

3. **Concern:**

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

4. Concern:

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Ogden is an incorporated community located in LITTLE RIVER County. The community is administered politically by City of Ogden. Police protection is provided by the Little River Co Sheriffs Office. Fire protection is provided by the Ogden Volunteer Fire Dept. The community is comprised of retirees, loggers, farmers and the self-employed and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: New Cannon Baptist Church Laura Bell Baptist Church Ogden First Baptist Church Ogden Methodist Church Mt. Pleasant Baptist Church Mte Carmel CME Church in God and Christ, Ogden Water Works Cut n Curl Johnsons Irrigation and Landscaping City of Ogden Arkansas Hwy Police Neaves Nature Works Natasha's touch Mills Nature Photography Vines Lawn Care Ward Logging Baldwin Enterprise INC Lubrication Specialist INC Morton Logging Poor Boy Remodeling R&M Mobile Home Movers McDowell Farms Mid-Iowa Farms Davis Farms Fisher Drywall Services Thompson Lawn Service Cowboy Corner Copper K Farms Naamans BBQ Temple Farms Ranch Properties Ron's Maintenance and Cleaning . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Ogden Post Office will be available at the Ashdown Post Office. Government forms normally provided by the Post Office will also be available at the Ashdown Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. Concern:

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Concern:

Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on January 02, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 52,319 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 33,168
Fringe Benefits @ 33.5%	\$ 11,111
Annual Lease Costs	<u>+ \$ 8,040</u>
Total Annual Costs	\$ 52,319
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 52,319</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster retired on January 02, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Ogden Post Office provided delivery and retail service to 184 PO Box or general delivery customers and 72 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$52,319 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this final determination is based are available for public inspection at the Ogden Post Office and Ashdown Post Office during normal office hours.
- B. Appeal Rights. This final determination to close the Ogden Post Office may be appealed by any person served by that office to the Postal Regulatory Commission at 901 New York Ave NW, Suite 200, Washington DC 20268-0001. Appeals must be received by the Commission within 30 days of the date this final determination is posted. If an appeal is filed, copies of appeal documents prepared by the Postal Regulatory Commission or the parties to the appeal will be made available for public inspection at Ogden Post Office and Ashdown Post Office during normal office hours.

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Ogden is an incorporated community located in LITTLE RIVER County. The community is administered politically by City of Ogden. Police protection is provided by the Little River Co Sheriffs Office. Fire protection is provided by the Ogden Volunteer Fire Dept. The community is comprised of retirees, loggers, farmers and the self-employed and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: New Cannon Baptist Church Laura Bell Baptist Church Ogden First Baptist Church Ogden Methodist Church Mt. Pleasant Baptist Church Mte Carmel CME Church in God and Christ, Ogden Water Works Cut n Curl Johnsons Irrigation and Landscaping City of Ogden Arkansas Hwy Police Neaves Nature Works Natasha's touch Mills Nature Photography Vines Lawn Care Ward Logging Baldwin Enterprise INC Lubrication Specialist INC Morton Logging Poor Boy Remodeling R&M Mobile Home Movers McDowell Farms Mid-Iowa Farms Davis Farms Fisher Drywall Services Thompson Lawn Service Cowboy Corner Copper K Farms Naamans BBQ Temple Farms Ranch Properties Ron's Maintenance and Cleaning . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Ogden Post Office will be available at the Ashdown Post Office. Government forms normally provided by the Post Office will also be available at the Ashdown Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. Concern:

Customers expressed concern for loss of community identity.

Response:

A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.

2. Concern:

Customers felt the loss of a Post Office would have a detrimental effect on the business community.

Response:

Businesses generally require regular and effective postal services, and these will always be provided to the community. Since the suspension of service, there has been no indication that the business community has been adversely affected. Questionnaire responses revealed that customers will continue to use local businesses if the Post Office is discontinued.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on January 02, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 52,319 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 33,168
Fringe Benefits @ 33.5%	\$ 11,111
Annual Lease Costs	<u>+ \$ 8,040</u>
Total Annual Costs	\$ 52,319
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 52,319</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Ogden, AR Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Ashdown Post Office, located eight miles away.

The postmaster retired on January 02, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Ogden Post Office provided delivery and retail service to 184 PO Box or general delivery customers and 72 delivery route customers. The daily retail window transactions averaged 32. There are one permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$52,319 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.
